PART II: ADDITIONAL INFORMATION FOR CANDIDATES FOR GENERAL ASSEMBLY AND COUNCIL OF STATE

A. THE ETHICS ACT'S GIFT BAN

- ✓ If you are currently a member of the NC General Assembly or the Council of State, are a legislative employee, or a public servant, you cannot accept gifts, directly or indirectly, from registered North Carolina lobbyists or lobbyist principals unless there is an exception in the Ethics Act that would allow that gift.
- ✓ The Ethics Act's gift ban does not apply to judges, district attorneys, or clerks of court or candidates for those offices, although other laws may restrict such gifts.
- ✓ If you do not currently hold a position that is subject to the gift ban, but have filed as a candidate for General Assembly or Council of State, you are restricted from accepting gifts from lobbyists and lobbyist principals unless there is an exception in the Ethics Act that would allow that gift.
- ✓ A gift is anything of monetary value. There is no de minimis or "small gift" exception; therefore, the value of the gift does not matter.
- ✓ A lobbyist is someone who is paid by either an individual or organization ("lobbyist principal,") to engage in communications or activities designed to influence legislative or executive action. A searchable list of registered lobbyists and lobbyist principals is on the Secretary of State's website at <https://www.sosnc.gov/lobbyists/>.
- ✓ Campaign contributions properly received and reported under the Election Law are not gifts. However, some individuals are prohibited from making campaign contributions to members of and candidates for the General Assembly and the Council of State.

B. ADDITIONAL RESTRICTIONS APPLICABLE TO LOBBYISTS

- ✓ Lobbyists are restricted from making campaign contributions to members of or candidates for General Assembly and Council of State. Lobbyists also may not collect, take possession of, or transfer those contribution(s).
- ✓ Lobbyists also cannot serve as treasurers or assistant treasurers for a legislative candidate or a campaign committee to elect a State House or Senate candidate.
